Treatments help to ease anxiety and create a sense of calmness and peace. These treatments are conducted on-site. We can also provide a quiet room for more intense treatments if desired. Please ask your Certified Therapeutic Animal handler if you are interested. A certified therapeutic animal handler has completed the Therapeutic Animal Handler Course. These courses are required to work with the companion animals that we hold. These courses are provided through The Humane Society of West Georgia. Hospitalization is not a common practice for a chronic condition, but if you have a severe condition that is not responding to other treatments, hospitalization may be your only option. We have worked with several well-established hospitals in our area. We are also working with a number of new facilities in the region and plan to be the first in our state to work with these dogs. If you choose to have your dog hospitalized, please contact us as soon as possible. We would like to discuss your situation to see if we can have your pet transported from our area to get the best care possible. Our hospital facility is the same size as many ordinary veterinary facilities and is located on a permanent lot. This location is completely fenced and contains a one-acre pasture for resident pets, and a greenhouse for housing the shelter's larger animals. This location 04aeff104c
